tor Our Georgetowa subscribers will hereafter be served regularly with the paper, by Z. Hunt, who is our authorized agent, and to him all subscriptions will bereafter be paid.

Notice.-Persons residing in the seventh ward will hereafter pay their subscriptions to Mr. James E. Given, who is our authorized agent for that ward.

CITY COUNCILS .- Both branches of the City Councils were compelled to adjourn over last night, in consequence of not having a quorum

RESIGNATIONS AT THE WASHINGTON NAVY YARD.-Yesterday morning, the various o of the United States navy, in command at the navy yard, tendered their resignation. It is alleged by some that this action on their part was induced by a misunderstanding between themselves and the officials of the War and Navy Departments with regard to the bestowal of certain commands in the yard, but we have heard other reasons assigned. As regards Commodore Buchanan, we have frequently re-ceived communications charging that officer with being an advocate of seces

fied their employers of their intention to leave at the end of the month, but for what cause we have not ascertained.

The following are the names of the officers who have resigned: Commodore Buchanan, Commander McBlair, Lieutenants Lewis and Simms, Paymaster Allison, and Surgeon Clen-

The yard is now in command of Commander Company C, of the Union Regiment, Captain George M. Miller, has been detailed as a guard to the ordnance shop.

THE STEAMER GEORGE PAGE .- Various mors are affoat as to the whereabouts of the Page, which was seized by the Virginia authorities on Saturday at Alexandria, and was sent during the night to Aquia Creek for ammunition and provision for the Virginia forces. One rumor is, that she passed Fort Washington and received a shot in her hull; another is, that she was sunk by a shot from the fort. Our impres-sion is, that ste passed the fort, and has not been able to return as yet to Alexandria.

THE CARTS STILL AT WORK .- Yesterday an additional number of drays, wagons, and carts, were engaged in bringing out the flour, from Georgetown, which had been seized by the Government on Sunday. At a late hour, last night we could still hear them going and returning from the Capitol, and other places where it was being stored. We hear that the Government will sell it to private citizens, when they need it for their own consumption.

INSTRUCTION AT COLUMBIAN COLLEGE SUS-PENDED.—In consequence of such a large number of Scuthern students having left this institution for their homes in the South, and those who remain evincing a disposition to create a disturbance between themselves and their fel-low students of different political complexion, by raising secession banners, &c., Dr. Samson, President of the College, has concluded to sus-pend the sessions for the present.

The secession paper, the States and Union, drew its last breath yesterday. It died of a fever contracted by the unbealthy climate surrounding it. We understand that it is to be started again in a few days, in the more salu-brious climate of Alexandria, Va.

The Washington Theatre has been closed for the present, the present condision of affairs just now not being favorable to theatricals.

FIRE.-About four o'clock yesterday morning, fire was discovered issuing from the lamp-black manufactory of the Messrs. Wilson, on the site of the old glass-house, first ward. Be-fore any assistance could be rendered, the building was entirely destroyed. The loss building was entirely destroyed. The loss amounts to between \$2,000 and \$3,000, upon which there was an insurance of nearly that

MILITARY MOVEMENTS .- Yesterday the officers of the War Department continued the mustering of the volunteer military into the service. The first on the ground was company B. Turner Rifles, Capt. Krzyzanowski; Lieuts. Galm, Pabst, and Bacher; five sergeants, four corporals, and fifty eight privates, who were mustered by Major McDowell, and had the oath of allegiance administered by General

Company F, National Guard Battalion, Capt. William P. Ferguson; Lieuts. Joseph Carroll, W. Nottingham, J. B. Davis; five sergeants, four corporals, and forty-three men, were then received into the service, after the usual form-

The Howitzer Corps, (Company D, W. Light Infantry Battalion,) Capt. Cross, brought up ten recruits, who were sworn in. Company C, Union Regiment, Capt. Miller,

sent up 23 recruits, but were not mustered in owing to the absence of the proper officers.

The Slemmer Guards, Capt. H. M. Knight

sent up eighteen, but they were not mustered in for the same reason. Company B, Putnam Rifles, Captain Grin-nell, and sixty-two men, arrived about one o'clock; but after waiting some time for their

officers, they returned to their armory.

Captain Powell, of Company E, (Zouaves.)

Light Infantry Battalion, sent up a squad of recruits who were also disappointed.

The new company, Watson Guards, Captain J. N. Callan, and Lieutenant G. W. Downey, with forty two privates, went up about si o'clock, and were sworn and received into the

TOWNSON GUARDS. The company lately formed in the upper por-tion of the First Ward has taken the above name, and have elected the following officers: J. H. McBlair, captain; C. R. Betts, first lieutenant; W. R. Hurley, second lieutenant; and J. P. Herrall, third lieutenant. This company now numbers about sixty men, and the ranks are hourly receiving accessions.

FORT WASHINGTON. The fort has been put in a state of com-plete repair. It was reinforced last week, and command of Major Haskins, U. S. A. Guns have been mounted upon the summit of the walls, so as to command the hill on the east, which is of about the same height as the fort, and which is only two or three hundred yards distant-a valley intervening.

THE MOUNT VERNON.

The steamer Mount Vernon, one of the four Potomae steamers seized by the Government and taken around to the navy yard, is now be-ing fitted up for the reception of several large guns, among which is a 32 pounder.

AN ARTILLERY COMPANY. A number of citizens have in progress of formation a company to act as riflemen on ordinary occasions, and to work a battery of heavy guns when necessary. Several person who are in the organization have had consid erable experience as artillerymen in the armies of Europe. The roll is open at the restaurant of Charles Werner, on Pennsylvania avenue, pear the corner of Sixth street.

UNION PLAG GUARDS. This company is filling up quite rapidly, and will soon be mastered into service. To night they meet again at the Old Trinity Church for

ANOTHER NEW COMPANY. Yesterday morning, the employees of the Government printing office, compositors, pressmen, binders, &c., perfected the organization of a military company for service, as a guard for the defence of the office and of the city, in the event of an invasion or an attack. The principal officers elected are, Messrs. James English, aptain ; F. J. Waters, first lieutenant ; Robert P. Penman, second lieutenant; and George P Goff, third lieutenant.

SIXTH REGIMENT OUT ON DRILL. About three o'clock, yesterday afternoon, the entire Sixth Regiment of Massachusetts, without music, left their quarters at the Capitol, and marched up the avenue to the President's House, where they were reviewed by the President, General Scott, Hon. Simon Cameron, Secretary of War, and Hon. Wm. H. Seward, Secretary of State. The troops were unable to appear in full uniform, a great portion of their baggage having been taken in Baltimore. They presented a most soldierly appearance however, and were loudly cheered as they passed up the avenue. After leaving the Executive Mansion, they proceeded back to their quarters, halting several times on the avenue

THE WOUNDED. THE WOUNDED.

The Massachusetts Association, for the relief of the wounded soldiers are doing all in their power for their relief. At a meeting held on Sunday night, \$100 was raised, which is now being applied for their relief. It affords us much pleasure to state that there has been a steady improvement in their condition ever since their arrival here, and that the citizens generally evince the liveliest interest in their
